The Janet meeting has been scheduled at 9 AM on Thursday, so I'll try to find a time for a preliminary call before then. (I'd invited Elliott and Brian to one on Thursday at 9:30; can't do that one now, of course.)

I mentioned this on the OGC senior staff call this morning, to Lorie Schmidt, who understandably wasn't remembering the status of the FIP. She's going to check with Elliott. I'd ask that Chuck reach out to OGC, perhaps Elliott, or perhaps Brian Doster as he seems to be included in emails below, to ensure that OGC is plugged in.

Hi Monica,

I just spoke with Joe and he mentioned that Janet spoke with OMB and may just want to have an update meeting. She would like to have a 45 min meeting this week. If you have the names of who should be included from your R8 office and OAQPS please provide them to me and I will send out a scheduler. Thank you

Is this meeting for the Uinta Basin FIP? Does Janet have specific questions she wants us to answer?
